UGRADS Poster & Presentation

## Minutes

Design Review 3 slides

In prototype slides,

The labels need to be on top to make more visible, describe more what is happening with prototype: payment. Show how the photos are related. Same with claim/upload. Add some arrows, make photos smaller. Have more descriptive text that shows the parts of the photos.

UGRADS Poster

Notes are on slides.

UGRADS Presentation

Email from Ana forwarded from Jesus

Use mostly the same slides from DR3, but replace Schedule with the implementation timeline, and add the other new slides from the outline.

Try to have slides and poster done by Wednesday
