PI to store

 Anything filled on profile

 Name

 Email

 Payment card

 Photo Submissions

 For tutors (save their subjects)

 Terms & Conditions - Find a generic one or have his lawyer?

Tech Demo

 On tutoring and student side should be able to create a profile

 Somewhat outline of homepage and/or submission process

 Should be able to make and view profile

 We will

Project Milestones

 First: Sign Up your profile. Clickable, working, January ish

 First/Second: Homepage and Profile Viewing

 Second: Tutors upload video and student can view, late January

 Third: Payment around February

 Four: Historical access to last submissions/videos, February-ish

Requirement Creep

 Task Manager?

Mobile? We need to start seriously considering this
Majorly Android and Google

Won't need an NDA for this project

Assigned Tasks

Begin Drafting Requirements

Send RD to Rob to review around 11/14

Next Client Meeting 11/27
