

Meeting Minutes – 2/5 4:10pm EGR 104a

Attendance

Tyler Mitchell
Jesus Garcia
Alex Kahn
Taylor Walker
Ana Steinmacher

Upcoming Due Dates

Software Design Document - due 2/8

Agenda

Task Report
Software Design Document Draft
Communication Report Returned

Minutes

Full Points on Comm Report
No issues

Task Report

Tyler
Integrating FireBase into application
Jesus
Working finishing AWS instance integration, ironing out email notifications
Alex
Finis testing paypal, not sending proper requests, get to work on User profiles
Taylor
Working on Design document

Design Doc

Pretty similar intro as before
Charts showing
Navigation, components, DBs, etc.
For Figure 2 chart
Have sections below describing each box that is on the chart
Decision charts for workflow? Like video upload, sign up, log in, etc.
Can use decision charts instead of UML for section 4
Include navigation between pages, links, routes, etc.

Assigned Tasks

Alex deliver design document to Ana on 2/8

Finish tasks by 2/12

Project Decisions

Tyler adding/integrating Firebase into user authentication

Notes
