Task Report

Minutes

Task Report

Taylor

Worked with Alex on Design review slides

Worked on homework submission page

Tyler took over and did it to work with his object submissions

Alex

Worked on design review slides with Taylor

Compiled list of payment API options for Rob to choose from, none are free, no free option available

Tyler

Worked on image uploading, creating claims for tutors to see

Claims board can be sorted and tutors can claim an image object

Jesus

Showing Ana his work

Worked on pulling images from AWS

Recreated AWS bucket for hairy reasons

Submission page for videos, registering responses

For next week

Check off our requirements document, make sure we have all the main requirements checked off

Show Ana all our working functionality, verify we are on schedule with meeting requirements

Dry Run

Update graphics with more color, make more interesting/meaningful

Assigned Tasks

Project Decisions

Notes
