Minutes

Any student status on a claim in a tutor profile? Name? ID?
Name and email. First name and last initial
So the claim should have
First name
Last initial
Email
Subject
Date uploaded
Notifications for students when tutor takes a claim?
No. Just when video is posted.
Image upload its' own page or on dashboard?
On the profile page, not a separate page.

For image file extensions

We should support PDF and DOC as well, not just image files.
Also add a commenting field on the image objects, for the students to add specific notes during their submission for the tutors to see
